December 2017

Dear Friend of Cats Angels:

As the year 2017 comes to an end, the Cats Angels Board of Directors would like to thank all of our supporters, contributors and volunteers for making it a good one for the cats of Nassau County. Cats Angels runs a hands-on, "no frills" rescue program that has saved the lives of thousands of abandoned, stray and outdoor cats. Our dedicated volunteers are out in all types of weather: rain, heat, and even hurricanes, all with the goal of making life better for our feline friends. With the help of First Coast No More Homeless Pets, our spay/neuter surgeries for 2017 are close to the 900 mark, and in addition their caring veterinarians take care of our wellness cats and perform dentals and special procedures, some quite extensive.

Cats Angels hosts the Nassau County Animal Expo where animal advocates join together to promote the nurturing of all animals that need our intervention, to educate the community on the importance of spay/neuter/vaccination and to help promote the adoption of rescued animals. In August Cats Angels focuses attention on Homeless Animals Month in association with the International Society for Animal Rights (ISAR). A Proclamation is received from the City of Fernandina Beach and we sponsor a Walk and Candlelight Vigil to commemorate Homeless Animals Day.

As per our Mission Statement:

- Cats Angels, Inc. SPCA believes that animals, as living creatures, have value beyond economic measurement, and are entitled to legal, moral and ethical consideration and protection.
- Cats Angels, Inc. SPCA will act as an advocate on behalf of animals and as an enforcer of their rights.
- Cats Angels, Inc. SPCA will provide for the well-being of animals who are abandoned, injured, subjected to unfair or cruel treatment, or otherwise in need.
- Cats Angels, Inc. SPCA will continue its work of ending animal overpopulation by providing a community-wide low-cost sterilization, vaccination, and adoption program.
- Cats Angels, Inc. SPCA will cultivate respect and awareness for the rights and needs of animals through an educational program.

We take your support very seriously. It is only because of kind, generous people like you that we have helped thousands of cats. Every life we save is precious. We believe that every animal is special and deserves our support and care. Together we can make the world a better place! We rely heavily on these personal contributions from friends such as you. Your gift of:

- \$100 - will pay for spaying and vaccinations
- \$50 - will pay for neutering and vaccinations
- \$25 - will pay for bags and cans of food;

Any donation in any amount is helpful towards continuing our highly successful life-saving programs. Please don't delay. If you can help us, please make your check out to "Cats Angels" and return it in the enclosed envelope.

There are other ways to help during the holiday season. The Kitty Wish Tree at our Thrift Store entry is decorated with Angel Cards each with feline requests for cat care needs, spay/neuter surgeries and vaccinations. Our ongoing fundraising efforts include aluminum recycling, sales of gourmet Morning Mews coffee blends, the annual Purrfect Cats of Cats Angels calendars and, of course, donations and sales for Cats Angels Thrift Shop.

We thank you for your past and continued support of our mission to improve the lives of homeless and abandoned animals and for being our partners in bringing comfort, hope and joy into their lives. On behalf of Cats Angels and the animals your generosity will help, we wish you Joy and Peace this Holiday Season and throughout the New Year.

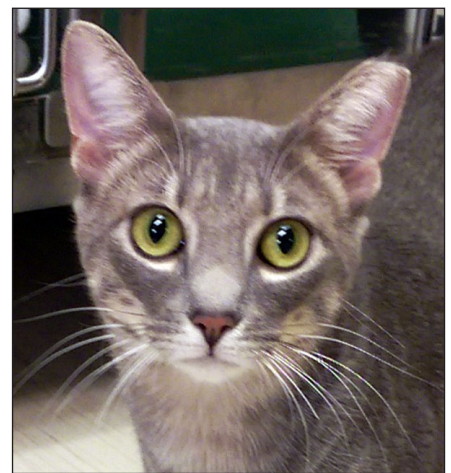

Sincerely,

*Beth*

PS: If you can't give at least \$20 at this time, please consider a gift of \$10 - this will provide a rabies shot for one kitten.
